Below is a list of questions to find out all about you! The answers will help you decide how you are going to paint your own self portrait. Be sure to bring your answers to Art Class with you on Saturday.

If you are not sure what to answer ask your Mom, Dad or a friend for some help. Use the example answers as a guide to how to write your own answers.

**Who Am I? (Identify yourself in very basic terms)**

Example: I am 8 years old. I have curly brown hair and brown eyes. I am very tall for my age.

---

---

**What do I like to do?**

Example: I like to swim. I like to play outside. I like puzzles, jump rope and going to the pool.

---

---

**What am I good at?**

Example: I am really good at diving. I can do all kinds of crazy flips. I can do back flips and a cannon ball.

---

---

**When do I feel the happiest?**

Example: When I am at the beach with my best friend. We get rafts and spend the whole day riding on the waves.

---

---

**In what way am I unique, special or different?**

Example: I swim like a fish and hold my breath under water a long time! I started swimming when I was just 2 years old.

---

---

**How can I apply my answers towards my goals for the future?**

Example: Mermaid at a theme park, Swim Team Coach, Life Guard

---

---

**How old will I be in 20 years and what year will it be? What kind of things have changed?**

Example: I am 8 years old. I will be 28 in 20 years!. The year will be 2022. In the future they will make skate boards that also work as surf boards on water. When you surf or skate you will wear a wing jacket that catches the wind to make you go faster!

---

---

**How will I paint myself in the future?**

Example: I am going to paint myself as a Life Guard at the beach with super advanced safety gear from the future! My life jacket will have wings so that when I rescue someone from drowning I can fly them out of the water and over to the shore to safety. We will have robots on the beach that use special binoculars to scan the ocean for drowning victims.
